

compli

*A solution for schools to manage
event compliance and risk.*

Product Suite 2021

What is Compli2Go?

Compliance framework that supports the school to meet the standards required for excursions and events.

Practical and supportive process for staff ensuring they can easily conduct compliant events and excursions.

Schools should feel confident that its compliance framework for conducting events & excursions ensures best practice.

Staff should feel empowered to use the system that provides a practical workflow supported by high quality guidelines.

What does best practice look like?

*The landscape of duty of care is constantly evolving.
Rarely will courts define what ‘reasonable care’ looks like.*
